Award-winning Microbrews

Light in color but rich in character. Sudwerk's Pilsner is brewed with pale two-row malt and Hallertau and Tettnang hops of the highest caliber. Pale straw in color, malty, with an elegant bitterness and fragrant hop aroma.

Sudwerk Hefe Weizen is a truly authentic, unfiltered, Bavarian style wheat beer. This top fermenting yeast remains in the beer producing a distinctive aroma and flavor profile true to the style; spicy, slightly fruity, dry and refreshing.

An amber lager crafted with a blend of five specialty malts and the finest Bavarian hops. Rich, robust malt character and a long lingering finish. Reminiscent of beers produced by Munich's breweries for annual Oktoberfest celebrations.

Rich golden lager, complex and artfully balanced, reminiscent of Bavaria's most popular style – Munchener Helles. Crafted with three specialty malts and the highest quality Bavarian hops.
